Beginning in February 2018, our monthly class schedules will feature class topics most frequently requested by our students.

\* **Student's Choice Classes** have their Topic established at a student's request, on a first come – first serve basis, for training that is not scheduled in our current class calendars for Chesapeake, Yorktown and Williamsburg. The list of acceptable class topics is in the Computer Concepts **Essential Class Descriptions** document. Unique, unlisted topics will have to be authorized by the company Training Director.

**Essential Class Descriptions** lists all current class training topics. Paper versions can be found in each of our Computer Concepts stores in Chesapeake, Yorktown and Williamsburg. Digital versions are ready to download or view at: [www.mycomputerconcepts.com](http://www.mycomputerconcepts.com) On the homepage go to Computer Training > Class Resources > Class Descriptions or Class Schedule. Store locations and phone numbers are listed on the reverse side of this page.

**One-On-One class training** is available for all Apple and Windows classes listed in the Essential Class Descriptions document. Valued Customer Card owners receive a \$25 discount for each One-On-One class session purchase.

To request a Student's Choice Class, schedule a One-On-One session or present a question, send an email to Dick Smith, the Training Director, at: [dsmith@mycomputerconcepts.com](mailto:dsmith@mycomputerconcepts.com)

- Apple iOS 12 for iPads and iPhones
- Apple macOS 10.14 Mojave for Macs
- Microsoft Windows 10 Creators update

## October 2018

**Do you want to take Apple Mac, iOS or Microsoft Windows computer classes?**

**Don't wait any longer.** Computer Concepts is ready to start presenting Windows 10, Apple Mac, iPhone and iPad classes in our Chesapeake store as soon as enough people let us know they are interested. Our instore classroom is setup and ready for students of all ages. We just need a few students to begin.

**Which is best for you?** A class with other students or a One-On-One training session with the Mac or Windows software instructor? One-On-One training is perfect for many people because it is focused on the specific needs of the individual student.

Don't hesitate to contact our Training Director, Dick Smith, to schedule your personal One-on-One training or to just learn more about Computer Concepts popular Essentials Training Classes.
