Click "MY ACCOUNT" to login or register for your new free account during checkout.

You need an account to register for classes.

ARE YOU TAKING ADVANTAGE OF ALL OF YOUR COMPUTER'S FEATURES?

APPLE and MICROSOFT periodically release Software Updates. While these Updates are developed to make required fixes to your computer's Operating Systems and Applications; many of these Updates also include new capabilities, features, and shortcuts designed to make your computer experience easier and faster. When New Updates are released, the classes are updated with instructions on using these new features.

Take advantage of the classes we offer.
