## APPLE'S PERIODIC ANNOUNCEMENTS

Apple normally conducts two major worldwide Video Conferences annually. The Fall conference presents the annual release of hardware. The Spring Developers conference announces updates to the Apple Operating System, and the new features in each update. Apple announced new major releases for the Apple Watch, the iPhone, the iPad, the MacBook and the IMAC.

## WINDOWS 11

MICROSOFT has announced that it will be releasing WINDOWS 11 later this year. They have also announced current WINDOWS 10 users will be able to upgrade to WINDOWS 11 at no charge.

## SUMMER CLEANUP IS HERE, RECYCLE YOUR OUTDATED "IT" HARDWARE

Wondering what to do with your old IT equipment. Many IT items contain Hazardous Waste that must be processed by a registered Hazardous Waste professional. Computer Concepts accepts broken computer products dropped off at our stores, the Recycler later picks up those broken products and then renders the hazardous materials safe for the environment. Computer Concepts does not charge

for damaged, and inoperable equipment dropped off at our stores for recycling.

## IDShield

**IDShield**

You do a lot online, including Surfing, streaming, socializing, shopping, and much much more. Most of us don't want to think

about it, but the reality is that your private data and info can be stolen with just a keystroke.

Rather than leaving security up to chance, you can proactively arm yourself against cybercrime and reputation hijacking. IDShield, your all-inclusive solution to identity protection, monitoring, and restoration.

Computer Concepts remains committed to assisting our customers to protect their Personal Information and Data. Ask one of our employees for more information on IDShield or Click the IDSHIELD button on our webpage.

## ONE ON ONE TRAINING

**ONE ON ONE  
TRAINING  
IS BEST**

## **Apple and Windows 10 One-On-One, Instructor Lead Training Sessions**

Learn about your computer and its software  
One-On-One with your Instructor.

Online ZOOM training is one of our  
remote training options.

For a better training experience, One-On-One Training Sessions are available at Computer Concepts. Conversations between the student and the instructor prior to their training session will allow the instructor to personalize the students' One-On-One training.

Training Handouts are provided at the beginning of most training sessions. Training in iPhone 12, Apple iPad, iPad Pro, iPad Air, MacBook Pro, MacBook Air, iMac, and iPhone 11 are popular. Help with many older iPhone models are also available. Instruction in Windows 10 and many Windows 10 apps are also on our list of training sessions. Students and Instructors are required to wear protective masks and hand sanitizer is available. The Cost of a 90-minute training session is \$59.00.

*A VCC Cardholder may use the \$25 credit as authorized by their card for One-On-One Training or Time With a Tech.*

Dick Smith, a Computer Concepts sub-contractor functions as Training Director, offers In-Person One-On-One Training Sessions. To schedule your session or just talk about your training goals, contact Mr. Smith directly.
